EVENTS

Attend our **Annual Shamrock Shimmy** in March and the **Empty Bowls Festival** in September! The Shamrock Shimmy is our signature fundraising event of the year and our Empty Bowls Festival is our way of thanking our community for their continuing support.

Host your own event in support of the food bank and help feed our community. Food and funds can be raised in many different ways – host a food drive, ask for donations as event admission, hold a work place/school challenge, donations instead of gifts...the ideas are endless.

Register your event with us through our website and we'll help you by providing supplies and volunteers!

We simply couldn't do what we do without you!

CAN A FOOD BANK RUN ON CANS ALONE?

The truth is, it takes a lot more than food donations to keep our food bank open. Funds are used for perishables such as vegetables, dairy and meat products, food items for our many school programs and any staple items we run short of for our hampers.

The food bank has numerous operational expenses - utilities, telephone service, IT operations, building maintenance, gas and maintenance for our trucks, insurance and risk management.

We are fortunate to have over **500** volunteers that support our programs and help us maintain our building, however it is necessary for us to pay a small group of staff in order to operate effectively as well as be accountable and efficient with the money that is given to us. Without the thousands of donated volunteer hours we would not be able to do the work we do.

Together we are building a stronger community in which "Neighbours Help Neighbours"
